Shoe guidelines:

All students **MUST** bring their shoes to Uniform Day for approval and to determine proper uniform length. If you do not have shoes or you forget your shoes, we will order them (and collect payment from you) on uniform day.

Men: Any matte black traditional business wear is fine, tied or slip-on, with no adornment (buckles, etc.)

Women: Character shoes with a 2” heel, are preferred. Character shoes look like sturdy pumps with a strap. We will have all sizes available to try on at Uniform Day, and can order them at our cost (\$24). Classic black pumps with heels between 1_” and 2” (no adornment) will also be permitted. No flats.
