

2020 Woodson Assessment Schedule

Location: Lake Braddock Secondary School

Below is the Woodson Chorus Assessment Schedule. As outlined in the syllabus distributed in August, the performances for your ensemble are a graded and required event. Music Assessments are the equivalent of the SOL for music. They are an important benchmark for the year. Please note that there is no wiggle room for being late. You must be on time, dressed in your formal concert attire, and ready to perform by the time indicated for your ensemble. **All performances are at Lake Braddock Secondary School.** Please update your calendars accordingly. We look forward to fantastic Woodson performances!
